Sir:

**REQUEST FOR ACKNOWLEDGEMENT OF RECEIPT OF PRIORITY DOCUMENT**

Applicants are in receipt of a Notice of Acceptance of Application Under 35 U.S.C. 371 and 37 C.F.R. 1.495 dated December 29, 2006, for the above application. It has customarily been the practice of the PCT branch to acknowledge the priority document when submitted by the applicant or the International Bureau (IB) to the U.S. Patent and Trademark Office (USPTO). However, the items listed on the Notice of Acceptance as having been received by the USPTO do not include the priority document.

Applicants therefore submit a copy of Form PCT/IB/304 ("Notification Concerning Submission or Transmittal of Priority Document") received in International Application No. PCT/JP2004/016451, which indicates that the priority document for this case, Japanese Patent Application No. 2003-373093, filed October 31, 2003, was submitted or transmitted to the IB.

It is respectfully requested that the USPTO acknowledge receipt of the priority document for this patent application, or advise applicants if a certified copy of the priority document is required in order to perfect the claim for priority in the present national phase application.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.

- By means of this Form, which replaces any previously issued notification concerning submission or transmittal of priority documents, the applicant is hereby notified of the date of receipt by the International Bureau of the priority document(s) relating to all earlier application(s) whose priority is claimed. Unless otherwise indicated by the letters "NR", in the right-hand column or by an asterisk appearing next to a date of receipt, the priority document concerned was submitted or transmitted to the International Bureau in compliance with Rule 17.1(a) or (b).
- (If applicable) The letters "NR" appearing in the right-hand column denote a priority document which, on the date of mailing of this Form, had not yet been received by the International Bureau under Rule 17.1(a) or (b). Where, under Rule 17.1(a), the priority document must be submitted by the applicant to the receiving Office or the International Bureau, but the applicant fails to submit the priority document within the applicable time limit under that Rule, the attention of the applicant is directed to Rule 17.1(c) which provides that no designated Office may disregard the priority claim concerned before giving the applicant an opportunity, upon entry into the national phase, to furnish the priority document within a time limit which is reasonable under the circumstances.
- (If applicable) An asterisk(\*) appearing next to a date of receipt, in the right-hand column, denotes a priority document submitted or transmitted to the International Bureau but not in compliance with Rule 17.1(a) or (b) (the priority document was received after the time limit prescribed in Rule 17.1(a) or the request to prepare and transmit the priority document was submitted to the receiving Office after the applicable time limit under Rule 17.1(b)). Even though the priority document was not furnished in compliance with Rule 17.1(a) or (b), the International Bureau will nevertheless transmit a copy of the document to the designated Offices, for their consideration. In case such a copy is not accepted by the designated Office as priority document, Rule 17.1(c) provides that no designated Office may disregard the priority claim concerned before giving the applicant an opportunity, upon entry into the national phase, to furnish the priority document within a time limit which is reasonable under the circumstances.
